No. is the number of results predicted by chance to have a score greater than or equal to the score of the result being printed, and is derived by analysis of the total score distribution.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      Sequence 100,

Pred. No. is the number of results predicted by chance to have a score greater than or equal to the score of the result being printed, and is derived by analysis of the total score distribution.

Cybate: 31-Mar-1993

Received: Species: sheep pulmonary adenomatosis virus

Cybate: 31-Mar-1993

Rydression: E42740

Rydression: E42740

Ayritle: Nucleotide sequence of the jaagsiekte retrovirus, an exogenous and endogenou

Ayritle: Nucleotide sequence of the jaagsiekte retrovirus, an exogenous and endogenou

Ayritle: Nucleotide sequence of the jaagsiekte retrovirus, an exogenous and endogenou

Ayritle: Nucleotide sequence of the jaagsiekte retrovirus, an exogenous

Ayrotecsion: E42740

Ayrotecin e42740

Ayrotecin type: genomic RNA

Ayrotecine type: genomic RNA

Ayrotecine type: genomic RNA

Ayrotecine type: genomic RNA

Ayrotecine type: genomic RNA
